

Dear Valued Member,

**Shhh...  
OUR MEMBERS  
ARE TALKING!**

Here at GMS, we have a team meeting every month. We go over revenues, office issues, technology, and schedules of course, but the most important topic is how to improve the network. Where do most of our ideas come from? FROM YOU! Throughout the month, we keep track of the feedback we receive and at our team meeting, we discuss it. We have found that the best way to improve our business is by listening to our members. It's pretty simple, really. Listen to your customers and they will remain loyal customers. GMS didn't start out building websites, but our members wanted us to. We didn't start out hosting websites, but our members wanted us to. We didn't start out with contests, parties, special events, testimonials, prizes, or even business card exchanges, but our members wanted us to. The secret to our success has been YOU and your feedback. Most people say, "Thanks for listening." Well we would like to thank you for speaking out. Have any suggestions? Please tell us! Keep the feedback, ideas, and suggestions coming!

**STATISTICS ARE  
IMPORTANT!**

*Are you hosting your website with GMS?*  
If so, there are some neat features you may want to know about that are included in our service.

**Do you want to know:**

- How many visitors came to your site last month, last week or even today?
- How are the search engines working for you, and which ones?
- Did that last ad campaign drive traffic to your site?

**Find out quickly and easily  
by doing the following:**

Go to [www.yoursitename.com/stats](http://www.yoursitename.com/stats) and type in your user name and password. It is that simple. If you have forgotten your user name and password, just shoot [info@givemeservice.com](mailto:info@givemeservice.com) an email and we will get it to you right away. You never need to be in the dark about how your site is working for you ever again. If you want to improve your traffic or have other questions, just call.

**Send Us Your  
Business Cards**

We meet with dozens of business owners per month, and at tradeshow – hundreds! So please, make sure we have a small stack (at least 50) of your business cards on file. We bring a large portfolio of every GMS member's business card everywhere we go. We are always handing them out, so make sure we have plenty of yours on hand. If you are unsure, just call us.

## **NOT A MEMBER YET?**

If you are a quality business owner, becoming a member is easy. All you have to do is call or email us and set up an appointment where an owner of GMS can meet you in person. We have met every business owner in an effort to protect not only the reputation of GMS but also the reputations of every member in our network. It also allows you the opportunity to get to know us personally. When we hand your business card to someone, the potential customer feels much more comfortable with the referral.
